

CHARITY REPORT 2021

Right Worthy Provincial Grand Supreme Ruler and Brethren

It gives me great pleasure to once again present a report on the activities of the Provincial Grand Supreme Ruler's Benevolent Fund.

Now that we are allowed out again, I was recently delighted to visit Vale of Clwyd MIND to formally make the presentation that we missed out on last year.

I have also made the presentation of £2,000 each to Parkinson's UK Cheshire Branch and Hope House Childrens Hospice in Oswestry.

These donations have been made possible by contributions from Vale of Weaver Conclave of £500, Chester Conclave of £250, Verney Clayton Conclave of £200 and personal donations totalling £695, together with £1,000 from the Grand Conclave Benevolent Fund.

This year, our efforts will support East Cheshire Hospice in Macclesfield, nominated by Fidelity Conclave and St Kentigen Hospice in St Asaph, nominated by Maen Achwyfan Conclave.

Brethren, we have a number of Provincial fund raising events in the pipeline. Please support these where you can.

Thank you for your support.
