Bangor Masonic Hall welcomed members of Carreg yr Wyddfa Conclave No 633 for their March meeting on the 16th.

Carreg yr Wyddfa is one of the two daytime conclaves in the Province of Cheshire and North Wales.

The meeting kicked off on time and the Supreme Ruler, WyBro Martin Wynne Jones steadily worked his way through the summons items, which included a successful ballot for a new joining member, RWyBro Walter Yule.

With the general business out of the way, it was time for the main event of the morning, a Princes degree for Bros, Luke Bidder and Alex Turnbull. WyBro John Thomson, all six foot plus of him and sitting in the East slipped out of the room without anybody noticing?

When the second degree offices were in place the two candidates were admitted. WyBro Martin Wynne Jones conducted the ceremony with his usual panache. This was enjoyed by everyone attending and especially the two candidates.

RWyBro Tony Stringer the PGSR presented the lecture to the candidates. Congratulations must also go to the stand-in Chaplain, WyBro John Thomson.

During the risings, RWyBro Tony Stringer reminded everyone of the Provincial Grand Meeting on Wednesday 21st June at Christleton.

RWyBro Stringer also updated the Conclave on the donation to the local charity that Carreg yr Wyddfa proposed, 'Wild Elements'.

The Province has applied for match funding for the donation from Grand Conclave.

While on the subject of the Charities the PGSR Sunday lunch will be held at Cheshire View, Christleton on the second Sunday in October.

Carreg yr Wyddfa next meeting is 15th June and there will be two new candidates and a joining member, so more work for WyBro Martin Wynne Jones to do.

We wish Carreg yr Wyddfa Conclave and its members continuing success.
