

Vale of Weaver Conclave No 278

RWyBro Tony Stringer and WyBro David Bruce

Vale of Weaver Conclave No 278 held their end of 2022/23 season meeting at Middlewich Masonic Hall, on 6th April.

Easter holidays had taken a toll on the number attending the meeting, but the visitors got stuck in and filled for the missing offices.

Once the Supreme Ruler, WyBro David Bruce had opened the Conclave and welcomed the PGSR, RWyBro Tony Stringer and the salutations were out of the way it was time for the main item on the summons; a talk on King Saul and David.

The talk had researched and written by the Supreme Ruler, WyBro David Bruce, who presented the talk in a very relaxed style which kept the interest of the listener.

It was a shame that the attendance at this meeting was not equal to that for the March meeting, which had been a team visit, because the talk deserved to have been heard by more people.

When WyBro David Bruce had finished, RWyBro Tony Stringer thanked WyBro Bruce on the manner he had delivered the talk and on the preparation work he must have put in.

It was later revealed that WyBro David's hobby was storytelling, especially to children, and it was clearly obvious that this was another hobby he truly enjoyed.

He said that by researching the talk gave him a greater insight and understanding of the ritual.

We wish Vale of Weaver Conclave good luck in attracting new members for the 2023/24 season.
