

DAY ONE OF GIVING MONEY AWAY

One of the great pleasures of being Provincial Grand Supreme Ruler is visiting deserving charities and passing on funds raised and donated by members.

One of the delights of being based in Runcorn is being situated next door to a tremendous charity.

Not for the first time, the Freemasons of Runcorn have provided funds to Stick'n'Step to assist with the valuable work they do to support children with cerebral palsy and their families.

Following from the success of their Wallasey Centre, in 2017 Stick'n'Step opened their second centre in Runcorn, and Runcorn Freemasons have supported them regularly ever since, both financially and practically.

Keith Burgess and Tony Stringer were delighted to be able to celebrate the donation of £400.00 from Ellesmere Lodge and £250.00 from Norton Priory Conclave with a visit to the Centre, a tour round, and a coffee and chat with Tania, their new Regional Fundraiser, also meeting with Becca, one of their Senior Conductors, Mark, the Senior Administrator, and Jess and her mum.

Stick'n'Step continue to provide support to children and families throughout the North West and North Wales without receiving any Government funding, relying upon the support of Freemasons and many other organisations to keep the doors open.
