

FIDELITY CONCLAVE No. 50

A very warm evening in Stockport witnessed Fidelity Conclave No. 50 welcome their newest member, with the Induction of Brother Kelvin Lee Hodsdon.

Worthy Brother David Mayall, Supreme Ruler, ably led his team of 'mobile' officers to deliver an excellent and impressive ceremony to the new Brother.

With a couple of the regular Officers either on holiday or unwell, virtually the entire team changed jobs to ensure that Brother Kelvin received an excellent welcome into the Order, with the Provincial Grand Supreme Ruler on hand to personally welcome Brother Kelvin into the Order and the Province.

The meeting was followed by an exceedingly convivial Festive Board, consisting of a nice, warming soup and roast lamb, although ice cream was available and melting for the sweet.
